President's Message

Happy New Year! I trust everyone enjoyed their holiday season. The beginning of a new year means we're just a short time from the highlight of these 12 months—the IMACC Annual Conference at Allerton. I know now is a hectic time for many, but please take a moment after reading this to register for the conference! In my first president's message at the beginning of Fall, I asked everyone to consider making some "new year resolutions" related to IMACC. Here's a quick reminder:

RESOLUTION # 1: If you know an excellent teacher or dedicated IMACC volunteer, please take a moment to nominate them for an IMACC award; also, don't forget our student scholarship awards—I'm sure your school has excellent students deserving of a nomination from you! Information can be found here or at the IMACC website.

RESOLUTION #2: Please take a moment to invite colleagues to join IMACC and personally invite them to the conference. Necessary forms are included here and at the website for your convenience.

RESOLUTION #3: Documents from the state's Development Education Advisory Council outlining the new Common Core state standards and best practice ideas for developmental math programs are available at the IMACC website—please take a moment to review them and tell me what you think (thank you to all who have already provided input on these—please know that your voice is heard at IMACC, and through it, at ICCB and beyond). If you haven't had a chance to fulfill your resolutions yet, now is the time!

(continued on page 2)

Deadline for Submissions:

Summer 2011-April 15
Fall 2011-October 15
Winter 2012-January 15

Submit items to:
Diane Koenig, Editor
The Math ConneXion
d.koenig@rockvalleycollege.edu

Online Math ConneXion

The online version can be found at
<http://www.imacc.org>

IMACC Student Scholarship

Please encourage your deserving students to apply for the IMACC Memorial Fund Scholarship. A total of \$2500 is available to award this spring. For the applicant to be considered, the faculty recommendation form, the student application form, and the student's supporting materials must be completed and received by the IMACC Memorial Fund Scholarship Committee Chairperson Angie Gum no later than March 4, 2011. See the IMACC website at
<http://www.imacc.org>

for more information and the forms.

(President's Message continued)

Regarding the conference, the schedule for this year is packed full with talks from a dozen different community colleges on topics ranging from classroom concerns to national issues, and covering everything from developmental math through calculus. There is truly something for everyone. We are particularly honored to have five outstanding keynote speakers, including the President-Elect of AMATYC and noted author George Woodbury. A tentative schedule is included, and later this month additional information about each session will be posted on the website.

Soon, you will be receiving your election ballot for next year's officers—many thanks to Roberta Christie, President-Elect, for finding such excellent candidates! This year's ballot is particularly important as it will also include a vote on By-Laws and Constitution changes that were presented at the last Annual Meeting. It's hard for me to believe, in the midst of heated conference preparation, that this will be my last chance to publicly acknowledge everyone for their support during my term as President. I am deeply appreciative of my colleagues at Southwestern Illinois College, the Board and its Officers, and every member of IMACC who assisted with committees, conference planning, and provided input to strengthen our organization.
THANK YOU!

2^K

Keven Hansen,
IMACC President

Letter From the Editor

As the snow is still flying, I find myself looking forward to Allerton in the spring and the hopes of the flowers in bloom while we are there. It is always a great way to reconnect with friends across the state, share ideas, and learn about new initiatives in math education.

If you have been to the IMACC conference before, I'm sure you have similar warm thoughts about attending this year. If you haven't, I urge you to consider making this year your first year of attending. Keven has done a great job setting up an excellent program of presenters and speakers. I know you will go back to your school with great ideas to share with others.

Please note the deadlines for submitting articles in the future issues of *The Math ConneXion* found in the left margin of the second page. This newsletter is a great way to get information out to other math faculty members across the state.

Is Your Membership Current?

Be sure to check the membership expiration date listed in your address label. If your membership has expired or is about to expire, you can use the form on page 10 to renew. In addition, if there are mathematics faculty at your college who are not members of IMACC, please invite them to join. Please take time to also check the Institutional Membership for your school.

Upcoming Conferences

Dates	Organization	Location
March 17-20, 2011	ICTCM	Denver, CO
March 31-April 2, 2011	IMACC	Monticello, IL
April 13-16, 2011	NCTM	Indianapolis, IN
August 4-6, 2011	MAA Math Fest	Lexington, KY
November 10-13, 2011	AMATYC	Austin, TX

Math Faculty Openings

Southwestern Illinois College is accepting applications for one to three full-time tenure track faculty positions in the Mathematics Department. The appointment may be made for the Fall 2011 semester beginning on August 15, 2011 and is contingent upon continued funding for the position. More information is available at www.swic.edu/employment/ under "current openings." Applications will be accepted until February 1, 2011.

Rock Valley College is taking applications for a full-time, tenure-track math faculty position beginning in Fall 2011. For more information, go to <http://www.rockvalleycollege.edu>

Welcome New Faculty

Rock Valley College is pleased to welcome Jeremy Chamberlain to their math faculty. Jeremy comes to RVC after being a graduate student at Northern Illinois University. Note: The full-time position listed above is in addition to the hiring of Jeremy to the department.

Find Contact Information Online

Due to the length of this newsletter, the contact information for the Board of Directors, Delegates and Representatives, IMACC committee members and committee chair contact information is not included in the mailed version. You can find the listings online at www.imacc.org. The printed listings will be included in the Spring edition.

Greetings from the Midwest Vice President of AMATYC, Nancy Sattler

I would like to share some information with you about the American Mathematical Association of Two Year Colleges (AMATYC). AMATYC is the only professional organization whose goal is the improvement of mathematics education in two-year colleges in the United States and Canada. If you are already a member, then you are aware of the many activities and resources that membership provides. If you are not member, I would like to invite you to join AMATYC to take advantage of professional development opportunities with mathematics educators from across the continent which include Traveling Workshops, Institutes and webinars, as well as networking through the various committees that meet virtually to discuss issues such as assessment, dual enrollment, placement and teacher prep. A listing of these committees can be found on AMATYC's website – www.amatyc.org. This year the various committees will be offering free webinars. Watch the AMATYC website for more information.

If you attended the 36th Annual AMATYC conference in Boston in November, you are probably aware of the fact that AMATYC is updating our Strategic Plan. The five draft priorities were discussed at a Forum at the conference and include: providing professional development activities; promoting and evaluating research on student learning in two year college; promoting the development of two-year college mathematics curriculum; building and promoting communities of educators; and communicating the vision, core values, mission and goals of AMATYC. Watch the AMATYC website for further information about AMATYC's Strategic Plan. If you are interested in presenting at the 37th Annual AMATYC conference in Austin November 10 through 13, 2011, please be sure to apply on the website by February 1. If you would like to be a presider, you can also apply on the website.

AMATYC is a great organization and offers many opportunities to its members. I have been a member of AMATYC for over 20 years and enjoy the benefits of being a member. I contribute regularly to the AMATYC Foundation and invite you to do the same! The AMATYC Foundation has unveiled a major campaign to support the purpose, goals and projects of AMATYC. You can make a one-time donation or an ongoing donation through the new Sustained Giving Program. You can even remember AMATYC in your will as I have done. The AMATYC Foundation supports project ACCESSS, a mentoring and professional development initiative for two-year college mathematics faculty. The project's goal is to provide experiences that will help new faculty become more effective teachers and active members of the broader mathematical community. Applications for Cohort 8 for 2011-2012 will be accepted in spring of 2011. Check www.amatyc.org in February for more details

Fast Facts about Allerton and the IMACC Conference

- Allerton House is the site of the IMACC Annual Conference. Built as a private home by Robert Allerton in 1900, it was developed into a conference center in 1946. It is located just west of Monticello, Illinois and is part of the University of Illinois system. More information (including directions) can be found at <http://www.continuinged.uiuc.edu/allerton/>.
- Lodging rooms for the annual IMACC Conference are located in the Main House, the Evergreen Lodge, the Gate House, and the Little House in the Woods. Quarters are assigned on a first-come, first-served basis. There is very limited space for spouses, and the conference is not designed for, nor do the facilities adequately accommodate children.
- There is wireless internet access for all of the first floor, and possibly all of the main house by conference time.
- Conference meals are pre-planned by the Conference Coordinator. Special dietary needs can be accommodated if you contact the Conference Coordinator by March 1, 2011. Snacks are served throughout the day and evening, and publishers are present with textbooks on display for your perusal. Publishers also usually donate towards our evening social hours. All amenities are included in the registration fee.
- Attire has been somewhere between corporate casual and unkempt. You may want to bring: an umbrella (spring rain, some buildings not connected), hiking shoes, a camera, and your favorite game (social gatherings in the evenings center around card games, table tennis, and other activities).
- There is no evening meal on Thursday night so plan accordingly.
- In years past, some participants prefer to stay at the Best Western hotel in downtown Monticello; there is a block of rooms reserved until March 1, 2011. Be sure to state that you are with the IMACC conference. Rooms cost \$70 + tax per night. [217-762-9436]
- No matter where you stay off-site, you must make your own reservations. Please, indicate no lodging on your reservation form if you are not staying at Allerton. Questions or concerns regarding conference registration should be directed to Yixia Lu at 708-596-2000 ext. 2425 (work) or 630-699-9733 (cell) or e-mail her at ylu@ssc.edu.

Do You Know the Way to Allerton?

- 1) Turn off Interstate 72 at Monticello exit 164 onto Bridge Street. Turn left (south) off the ramp and drive towards Monticello. Turn right (west) at the first crossroads, which will be old Route 47.
- 2) Travel approximately 2 miles west on old Route 47 and turn left (south) onto County Road 625 E, located just past the brown "Allerton Park and Conference Center" sign.
- 3) Continue on County Road 625 E for approximately one mile. At the stop sign, turn right (west) onto County Farm Road.
- 4) Turn left (south) onto the first road you come to, which will be Old Timber Road, and go through the brick columns. Follow signs to the main parking lot to the left. Conference Center guests may park in the main lot. Follow signs to the Conference Center.

A map is also included on the back of the last page for your reference.

IMACC ANNUAL CONFERENCE SCHEDULE

THURSDAY, March 31

6:00-? Room Check-in (Allerton Main Desk)

7:00-9:00 Pick up conference packets, Games and Social Gathering, Refreshments

FRIDAY, April 1

7:15-8:15 Breakfast Buffet

8:15-8:30 Welcome and Announcements

8:30-9:30 Opening Session: Randy and Sue Phippen "The Common Core Standards and Community Colleges"

9:40-10:40 Concurrent Sessions

Bob Cappetta: Helping Students Understand Infinite Series In Calculus II

Eric Hofelich: Content on Demand—A Tool for Student SuccessM.

Joanne Kantner: Mathematics Myth—The Influence of Culture on Learning Mathematics

Randy and Sue Phippen: Active Learning Strategies for the Math Classroom

Robin Anderson/Kathy Almy: Great Ideas for Any Math Department

10:40-11:00 Coffee Break, Exhibits

11:00-12:00 Concurrent Sessions

Keven Hansen: Department Chair Roundtable

Randy Gallaher and KevinBodden: Integrating Technology into Education without Breaking the Bank

Cristina Moore (Hawkes): Motivate Your Students with Mastery Learning

Steve Kifowit: Serious About That 1 Series

Connie McLean: Activities for "Math for Elementary Teachers" That Students Love!

12:00-1:00 Lunch Buffet

1:00-2:15 Park Activities

2:20-3:20 Concurrent Sessions

Kathy Almy & Heather Foes: Re-Creating Developmental Math—A New Course Option

George Woodbury: Student Contracts and Student Success

Omar Adawi: Birds of a Feather—Panel Discussion on Plane Geometry

Joanne Kantner: What is Mathematics? Instructor's Beliefs Shaping Student Knowledge

Pearson: An Introduction to MyFoundationsLabM.

- 3:20-3:40 Coffee Break, Exhibits
- 3:40-4:40 Keynote: Jim Roznowski (President-Elect, AMATYC) "Teaching Tips from AMATYC Conferences"
- 4:40-5:40 Social Hour and Committee Meetings
- 5:40-6:50 Dinner and Awards
- 7:00-8:00 Evening Program: George Woodbury "Keys to Student Success"
- 8:10-? Board Meeting
- 8:00-9:00 Evening Activities—games, money raised for scholarship fund

SATURDAY, April 2

- 7:15-8:15 Breakfast Buffet
- 8:15-9:15 IMACC Business Meeting
- 9:25-10:25 Keynote: Marcia Kemen "Look at Mathematics: Examples from the World of Contemporary Art"
- 10:25-10:40 Coffee Break
- 10:40-11:40 Concurrent Sessions
 - Andy Geary: Tablet PCs
 - Rodger Hergert: What's in a Name?
 - Brian Durham: Updates on State Issues and ICCB
 - Bob Cappetta: Effective Teaching & Learning in Block Scheduled Developmental Mathematics
 - Jim Sheff: Using Varied Teaching Methods to Create a Safe & Comfortable Learning Environment
- 11:10-11:40 Sudipta Roy: Is Mandated Homework Really Necessary? Results from a Natural Classroom Experiment
- 11:45-12:00 Contest Results, Raffle, Closing Remarks
- 12:00-1:00 Lunch Buffet

2011 IMACC CONFERENCE

Allerton House: March 31-April 2, 2011
Return to Yixia Lu by Tuesday, March 1, 2011

REGISTRATION INFORMATION: Please print all information

First Name Last Name Gender

Street Address City State Zip

School Name e-mail address

__ Home phone __ Cell (indicate which) School Phone

Please check all that apply:

I am attending for the first time.

I am a graduate Student at _____.

I am retiring this year.

ACCOMMODATIONS & FOOD

Which night(s) will you be staying at Allerton House?

Thursday Friday BOTH

None: I will stay in town & make my own arrangements for lodging. [IMACC has reserved a block of 25 rooms at the Monticello Best Western for conference rate of \$70 per room per night plus tax. There are 20 QQ and 5 King rooms. Call them at 217-762-9436 to make your reservations, mentioning the IMACC conference rate. Room block will be held till **03/01/11**. Please note there is no hotel transportation to Allerton Retreat Center.]

Housing Preference: indicate 1st, 2nd, and 3rd choices:

Main House Gatehouse Evergreen Lodge Little House in the Woods

Roommate preference(s) _____ (some rooms will have more than one bed)

Meals: Check all meals that you will eat at the conference:

Friday: Breakfast Saturday: Breakfast

Lunch Lunch

Dinner

Will you need vegetarian meals? YES NO [Remember it is Lent]

YES NO You need a receipt prior to the conference: receipts will be included in conference folders at Allerton. Anyone needing a receipt prior to the conference, include a self-addressed stamped envelope or clearly write your e-mail. Only fully paid attendees may get receipts prior to the conference.

Special Needs or questions: Contact Yixia Lu at 708-596-2000 ext. 2425 (work) or 630-699-9733 (cell) or e-mail her at ylu@ssc.edu.

Please circle the appropriate dollar amount depending on your specific conference package:

- Make checks payable to: **IMACC; if a name must be used: IMACC/Steve Kifowit, treasurer**
- "Members" must have paid dues for 2010-2011 by the postmark deadline for the conference (March 1, 2011) to get the member-rate for the conference.

Package Choice	Member	Non-Member	Grad Student	Institutional Representative
Entire Conference: Thurs & Fri Lodging, Fri & Sat Meals	\$350	\$385	\$255	N/C
Registration, Thurs Lodging, Fri Meals	\$230	\$250	\$170	N/C
Registration, Fri Lodging, Fri & Sat Meals	\$265	\$285	\$190	N/C
Registration, no lodging, Fri & Sat Meals	\$180	\$200	\$130	N/C
Registration, no lodging, Friday Meals	\$130	\$150	\$90	N/C
Registration, no lodging, Saturday Meals	\$105	\$120	\$75	N/C

- **Late (postmarked after Monday, March 1) registrations and on-site registrations: add \$25.00 late fee.**

TOTAL:

Refund Policy:

- Those canceling before the March 1 deadline will receive the full refund.
- Those canceling after the March 1 deadline should not expect a refund, but may appeal their circumstances to the IMACC Board for consideration. Appeals must be sent in writing to the IMACC President Keven Hansen.

Confirmation

Those requesting early confirmation of their conference registration should include a correct e-mail or a self-addressed stamped envelope with your registration form: please indicate YES or NO on the front of the registration form. Receipts will be included in all conference folders at Allerton.

Make your check payable to **IMACC**:

If your school requires that a name on the check must be included, please use **IMACC/Treasurer, Steve Kifowit**, not Yixia Lu.

Please send all registration materials (including the check) to:

Yixia Lu Math/Computer Science	OR	Yixia Lu
South Suburban College		7934 Sawyer Road
South Holland, IL 60473		Darien, IL 60561
708-596-2000 ext. 2425 (Work)		630-699-9733 (Cell)
Fax: 708-210-5794 Attn: Yixia Lu		

ylu@ssc.edu

No registration is complete without a **fully completed registration form** and a check.
